Wednesdays 3:45-4:45pm

April 2nd-May 14th (no session 4/23)

Led by Mrs. Compton and located on the lower school campus.

In this club, fourth & fifth grade students will find a sunny spot on campus with Mrs. Compton and learn the basics of gardening. This is a "grow and take" club, allowing participants to take home what they've grown at the end of the session. Be sure to register by 3/31!
