

RAISE THE RHINO '26

“BUILDING A REVOLUTION, ONE SCHOOL, TWO CAMPUSES”

Frequently Asked Questions

- Will all of the money I donate go to the school?
 - Yes, 100% of the proceeds from this direct donation fundraiser supports student activities, staff appreciation, school improvements and our PTO budget.
- If I donate online, do I still need to send in the donation form with my student?
 - No. There is no need to fill out the paper form if all donations are made online!
- I have multiple students at RA, do they each need to turn in a donation form?
 - No, one form per family with all students listed on that form. Incentive amounts are per family but each of your students will get the prizes for the tier your family achieves.
- Are my family and friends allowed to donate to Raise the Rhino?
 - Yes, please share the QR code or link to the Raise the Rhino donation page with family and friends.
- Do you allow companies to match donations?
 - Yes, please contact ptofundraising@rarhinosk12.com to assist with any company matches.
- If my company matches my donation, will that count towards my student's total donation amount?
 - Usually the process for company match donations extends beyond the duration of the campaign, so unfortunately these donations cannot be added to your student's total donation amount (unless it's received prior to the end of the campaign).
- Where should my student turn in their donation form?
 - We will have designated boxes at both the lower and upper schools' front entrances.
- How will my student be recognized?
 - We will print the name of each student on a paper brick to build our bridge connecting the Lower School campus to the new, Upper School campus on our recognition wall.
- When will my student receive the incentives they earned?
 - Expect incentives to be sent home with your student(s) by the end of October.
